#### Verse 2

With her baby at her side  
 With Compassion as her guide  
 A young mother sews a banner  
 Patiently

On a golden yellow field  
 She fashions her appeal  
 The red letters spell these words  
 For all to see

Repeat Chorus 1

#### Verse 3

Then she goes to Tiananmen Square  
 Holds her banner in the air  
 Majestic, like a timeless  
 Work of art

The policemen circle 'round  
 But she calmly stands her ground  
 And cries out from the bottom  
 Of her heart

Repeat Chorus 1
